Corpus Christi Southern Pacific Credit Union was founded in 1953 by railroaders for railroaders and their families. Since then we have expanded our field of membership. We now serve Union Pacific employees, KCS employees, Port Rail employees as well as anyone who resides, worships, works or attends school within a 10-mile radius of the credit union. Spread the word to your family and friends that YOUR credit union is here to help with any financial need they may have. We offer competitive loan rates and CD rates. Have them call us so we may answer any questions they may have and lets get them "on board" and on the "right track".
